Plaster Funhouse is a popular creative activity enjoyed by people of all ages. We offer a vast selection of plaster-of-Paris plaques and figurines in all shapes and sizes. Customers are invited to paint their chosen piece at our venues using our painting supplies. Once painting is completed, staff finish the piece using a gloss sealer and can apply glitter as desired. The result is a unique decorative piece suitable for display or gift. Everyone can use their talent and dexterity in this creative pastime, which is inexpensive, wholesome and most of all, fun!

Plaster Funhouse is completely mobile and therefore a very effective participant in fetes and fundraising events. We recognise that the major objective of the event is to raise as much money as possible for the host. Please find below our attractive percentage scheme:

- From the Plaster Funhouse fundraising range, the fundraiser is invited to choose pieces appropriate to their event, taking into account target age and price. We invoice these selections at 50% of the retail price, plus GST.
- A deposit of \$200.00 is required to confirm your fundraising booking. This deposit is fully refundable and will be shown on the tax invoice issued after your event.
- We offer the fundraiser the following accessories according to the number of pieces chosen: paints, brushes, paper, water pots, protective shirts, finishing gloss sealer, glitter, spray booth, turntable and display stand if required. We charge \$66.00 for the use of this equipment. Any components not returned to Plaster Funhouse will be invoiced to the fundraiser at wholesale cost. Any unpainted and undamaged plaster pieces returned to Plaster Funhouse will be credited to the fundraiser.
- Delivery and pick up of your pack can be arranged for a \$44.00 fee.
- The fundraiser operates the plaster painting stall at their function using a roster of volunteer staff and using their own tables and chairs. If this is not possible, Plaster Funhouse will run the activity at the event, providing all necessary equipment and accessories (except water and electricity). 20% of the gross turnover will be given to the fundraiser.
- The fundraiser can therefore achieve a profit of 50% of the takings of the stall, less the GST component and \$66.00 accessories charge. This can be a significant amount considering the popularity of the activity.
- All unsold pieces and painting accessories must be returned to us within two (2) working days after the event, and time allotted to counting back unsold stock. An account will be issued and must be settled within seven (7) days.

Plaster Funhouse is now active in your area and we are always happy to answer any queries. We are especially aware of the fundraising needs of community groups such as pre-schools, kindergartens, primary and high schools, hospitals, retirement homes, clubs, Scouts, Brownies and Guides. We are also available as a mobile activity centre for functions, shopping centres and corporate fun days. Please contact us concerning your party bookings and fundraising events and be assured of our best service and attention. We look forward to hearing from you!
